Welcome to the Manorcroft United tournament 2026 our 12th running of what has become respected as one of the premier tournaments in the region.

I would like to take the opportunity to thank all the Club's sponsors, be it team, banners or the tournament we simply couldn't run the club without their vital input, something I know those running teams visiting today will completely appreciate.

This year has been another busy, rewarding and equally challenging year. We experienced our first ever FA Cup tie in September when our Women's team hosted Reading FC in the 3rd qualifying round, with a crowd of over 200+ giving us our largest ever at Coopers Hill.

Having won our first men's senior trophy last year I am delighted to congratulate the Development Team on winning their League Cup on April 30th. Once again a side filled with ex and current Manorcroft Juniors. A huge well done to the Women and Devs for creating history. The Junior section has been steadily progressing once more, all our league winners last year have more than adequately coped with their respective promotions and having been here for 25 years I still have to pinch myself at what a club of 5 teams in a Surrey Village has gone on to achieve.

That brings me perfectly to our volunteers, there are so many dedicated people involved with our club and from me personally I want to take this opportunity to celebrate their amazing efforts and achievements. Please respect those trying to help you all over the course of the weekend.

I would like to finish my welcome by personally saying thank you to each club, team, player, parent and family that has come to support our tournament this weekend, I hope you all enjoy the superb Coopers Hill, the atmosphere, the people and of course the football. Good luck to everyone involved, experience has come to tell us that if you go far in this tournament then you must be a good side as the competition is always so strong.

Enjoy your time with us,

Yours in Sport

Scouting & Recruitment Policy

Manorcroft United is a Club committed to developing and progressing players, we have always been and will remain determined to work with professional clubs to give opportunities to children that show the necessary skills to progress into the academy system.

Unfortunately, over the past few years it appears some Club's and scouts have looked to take advantage of the strong working relationships we have developed with certain clubs and scouts and the level of approaches made to players at our last couple of tournaments has led to some negative feedback from managers and parents about their day being ruined by being pestered about their son or daughter, not to mention the impact approaches make on their home lives for the weeks and months after.

OUR POLICY:

We would like to make all those attending of our new etiquette regarding player approaches;

- Any attendee of the tournament who has come with the purpose to scout players **MUST** sign in at the control tent, making themselves known to the Club's development team. Anyone not following this process will be asked to leave and will be reported to their Club / Organisation and the FA.
- If a player is of interest, then a note should be made of their playing number and the Team manager should be approached and asked for his/her telephone number or email address. A conversation can then take place about approaching the player / parent after the tournament has finished and at **NO TIME** on the grounds of Manorcroft United. Anyone not following this process will be reported to their Club / Organisation and the FA.

We thank all those attending in advance for following the policy, our tournament is held with the purpose of celebrating our Club's season, sharing our fantastic facilities and above all else is held so that players, coaches and parents can enjoy a fun football environment without pressure or additional stresses. The purpose of this policy change is not to stop academies scouting players at our tournament it is designed to stop the approaches making some people feel uncomfortable or pressurised.

Yours in Sport,

Manorcroft United Development Team
